

Divisional Affiliations (tenure homes)
of UW-Madison departments, schools, and programs during
2008-2009

BIOLOGICAL SCIENCES

Afro-American Studies*
Agronomy
Anatomy
Anesthesiology
Animal Sciences
Anthropology*
Bacteriology
Biochemistry*
Biology Core Curriculum#
Biomedical Engineering*
Biomolecular Chemistry
Biostatistics & Medical Informatics*
Botany
Clinical Laboratory Science#
Communicative Disorders*
Comparative Biosciences
Dairy Science
Dermatology
Endocrinology-Reproductive Physiology#
Entomology
Environmental Studies, Gaylord Nelson Institute
for (GNIES)*
Family Medicine*
Food Science*
Forest & Wildlife Ecology*
Genetics
History of Science*
Horticulture
Human Oncology
Integrated Liberal Studies (ILS)*#
Kinesiology*
Landscape Architecture*
Medical Genetics
Medical History & Bioethics
Medical Microbiology & Immunology
Medical Physics*
Medical Sciences (Medical School)#
Medical Sciences (Veterinary Medicine)
Medicine
Molecular & Environmental Toxicology,
Center for *#
Molecular Biology#
Neurological Surgery
Neurology
Neuroscience Training Program#
Nursing, School of*
Nutritional Sciences
Obstetrics & Gynecology
Oncology
Ophthalmology & Visual Sciences
Orthopedics and Rehabilitation
Pathobiological Sciences
Pathology & Laboratory Medicine
Pediatrics
Pharmacology
Pharmacy, School of*
Physical Therapy #
Physician Assistant Program #
Physiology
Plant Pathology
Population Health Sciences*
Professional Development & Applied Studies*
Psychiatry
Psychology*
Radiology
Soil Science*
Surgery
Surgical Sciences
Women's Studies*#
Zoology

ARTS & HUMANITIES

African Languages & Literature
Afro-American Studies*
Art
Art History
Asian American Studies#
Central Asian Studies#
Chicana/o & Latina/o Studies*#
Classics
Communication Arts*
Comparative Literature
East Asian Area Studies#
East Asian Languages & Literature
Engineering Professional Development*
English
Environmental Studies, Gaylord Nelson Institute
for (GNIES)*
Folklore Program#
French & Italian
Geography*
German
Hebrew & Semitic Studies
History*
History of Science*
Human Ecology, School of (SoHE)*
Integrated Liberal Studies (ILS)*#
Jewish Studies#
Kinesiology*
Landscape Architecture*
Languages & Cultures of Asia (LCA)*
LCA Languages#
Liberal Studies & the Arts*
Linguistics
Mathematics*
Medieval Studies#
Music, School of
Pharmacy, School of*
Philosophy*
Religious Studies*#
Scandinavian Studies
Slavic Languages
Spanish & Portuguese
Theatre & Drama
Women's Studies*

PHYSICAL SCIENCES

Afro-American Studies*
Astronomy
Atmospheric & Oceanic Sciences
Biochemistry*
Biological Systems Engineering
Biomedical Engineering*
Biostatistics & Medical Informatics*
Chemical & Biological Engineering
Chemistry
Civil & Environmental Engineering
Computer Sciences
Electrical & Computer Engineering
Engineering Physics
Engineering Professional Development*
Environmental Studies, Gaylord Nelson Institute
for (GNIES)*
Food Science*
Forest & Wildlife Ecology*
Geography*
Geological Engineering#
Geology & Geophysics
History of Science*
Human Ecology, School of (SoHE)*
Industrial & Systems Engineering*
Integrated Liberal Studies (ILS)*#
Landscape Architecture*
Materials Science & Engineering
Mathematics*
Mechanical Engineering

Medical Physics*
Molecular & Environmental Toxicology*#
Pharmacy, School of*
Physics
Soil Science*
Statistics

SOCIAL STUDIES

Afro-American Studies*
Agricultural & Applied Economics
American Indian Studies#
Anthropology*
Business, School of
Chicana/o & Latina/o Studies*#
Communication Arts*
Communicative Disorders*
Counseling Psychology
Curriculum & Instruction
East Asian Area Studies#
Economics
Educational Leadership & Policy Analysis
Educational Policy Studies
Educational Psychology
Environmental Studies, Gaylord Nelson Institute
for (GNIES)*
Family Medicine*
Forest & Wildlife Ecology*
Geography*
History*
History of Science*
Human Ecology, School of (SoHE)*
Industrial & Systems Engineering*
Integrated Liberal Studies (ILS)*#
International Studies#
Journalism & Mass Communication, School of
Kinesiology*
La Follette School of Public Affairs
Landscape Architecture*
Languages & Cultures of Asia (LCA)*
LCA Languages#
Latin American, Caribbean & Iberian Studies#
Law School
Legal Studies#
Liberal Studies & the Arts*
Library & Information Studies, School of
Life Sciences Communication
Nursing, School of*
Pharmacy, School of*
Philosophy*
Political Science
Population Health Sciences*
Professional Development & Applied Studies*
Psychology*
Rehabilitation Psychology & Special Education
Religious Studies*#
Rural Sociology
Social Work, School of
Sociology
Urban & Regional Planning
Women's Studies*

NONDIVISIONAL

Air Force Aerospace Studies#
Military Science#
Naval Science#

* = listed in more than one division
= not a tenure home
